Educational programs of Kentucky Cooperative Extension serve all people regardless of economic or social status and will not discriminate on the basis of race, color, ethnic origin, national origin, creed, religion, political belief, sex, sexual orientation, gender identity, gender expression, pregnancy, marital status, genetic information, age, veteran status, or physical or mental disability. University of Kentucky, Kentucky State University, U.S. Department of Agriculture, and Kentucky Counties, Cooperating.
LEXINGTON, KY 40546

Disabilities accommodated with prior notification.

4-H HORSE CLUB

Tuesday, February 21

6:30 p.m.

Bourbon County Extension Office

You do not have to have a horse to be a part of our group. Plenty of fun activities for all!

The Bourbon County Nutrition Education Program is working to reduce hunger for children in our county.

Our program purchases and distributes food to Paris/Bourbon County Family Resource Centers. The food is packed in a small bag and dropped into the child's backpack. The bags go home with the students at the end of the week.

If you would like to contribute, please contact our office for a list of items needed or consider a monetary donation to purchase items: 859-987-1895.

KY Farm License Plate Voluntary Donation

The Kentucky 4-H Foundation is proud to be part of the Kentucky Farm License Plate Voluntary Donation Program. Since 2012, Kentucky Farmers have the option to make a \$10.00 voluntary donation when they purchase or renew their license plate. Commissioner of Agriculture, Ryan Quarles, will again equally divide the amount raised among 4-H, FFA and Kentucky Proud. In 2022, Ag tag raised \$609,000.61; with the 4-H portion being \$202,074.37. These funds benefit all levels of Kentucky 4-H. The Kentucky 4-H Foundation splits the donations equally between the county from which the funds originated and the Foundation itself. The Foundation uses its half to support state level programs. The other half supports county programs where the donation originated, making this a great opportunity for local 4-H councils, clubs, and members to increase financial support for their program.

*Please consider making a \$10 donation as you renew your Kentucky Farm License Plates.
Your support is greatly appreciated!*

SERVING OTHERS

At least once a year, the Bourbon County 4-H Teens volunteer at the Ronald McDonald House of the Bluegrass by providing a meal for the residents there. We will be doing that again in February and would gladly take donations from this list. Feel free to drop off any of the listed items to the Extension Office before February 22nd.
